

# NEXTStep Commerce, Inc. wins GPO e-Marketplace Contract with Interstate Batteries® via SIMA Procurement

## - PRESS RELEASE -

- NEXTStep wins a multi-year contract with the Interstate Batteries® via SIMA Procurement to provide e-Business Marketplace website for Distributor/Dealers to purchase products-for-resale from Interstate Batteries and preferred Vendors.

Leesburg, VA, November 21, 2018 – NEXTStep Commerce, Inc. “NEXTStep” announces the award of a multi-year contract to provide Online e-Business Marketplace website for Interstate Batteries’ Distributor/Dealers to purchase essential products for resale from Interstate Battery and preferred Vendor trading partners. NEXTStep will deploy our NXT-Cloud® Group Portal, NXT-Cloud® B2B Document Exchange, and NXT-Cloud® Marketplace modules to provide a single sign-on private b2b shopping environment for Interstate Batteries’ Distributor/Dealers to purchase essential products at SIMA-negotiated volume discounted prices and receive EDI X12 & custom business system flat file formatted invoices, which have been consolidated for SIMA central payment.

Interstate Battery is #1 replacement auto battery brand for 65+ years.

- Over 190 stores in the U.S., Canada and Latin America
- Company built on strong values and personal service
- Committed to the integrity and quality of our products and people
- More than a store- your local partner and power expert
